Notes on these lists: (Worth a read before ordering!).

1). All stamps are unmounted mint unless specified otherwise. Our prices are also in Sterling, (£).

2). Lists are updated about every 6 months to include most recent stock movements and New Issues; they are therefore reasonably accurate stock-wise 100% pricewise. This reduces the need for "credit notes" and refunds. Alternatives may be listed in case some items are out of stock.

However, these popular lists are still best used as soon as possible.

Next listings will be printed in 6 months time. **But please be aware that B.I.O.T. are not issuing further new stamps at present until a resolution is found to their dispute with the U.P.U.**

3). New Issues Services has been suspended. Normally it can be provided if you wish to keep your collection up to date on a Standing Order basis. Details & forms in future, on request as appropriate.

4). All orders are attended to **by return of post.**

5). Other Country Lists are available on request; Australian Ant.Terr, Denmark, Falklands, France, etc.

6). Postage is extra but we always use current G.B.commemoratives and in complete sets where possible, for postage.

Using all forms of postage we offer full compensation for loss/damage.
