Notes on these lists: (Please read before ordering).

1). All stamps are unmounted mint unless specified otherwise. Our prices are also in Sterling, (£).
 With most countries we aim to be **HALF-CATALOGUE PRICE OR UNDER..**

2). Lists are updated about every 26 weeks to include most recent stock movements and New Issues; they are therefore reasonably accurate stockwise 100% pricewise. This reduces the need for "credit notes" and refunds. Alternatives may be listed in case some items are out of stock. However, these popular lists are still best used as soon as possible. Next listings will be printed in 6 & 12 months time so please indicate when next we should send a list on your order form.

3). New Issues Services can be provided if you wish to keep your collection up to date on a Standing Order basis. Details & forms on request.

4). All orders on our order forms are attended to **by return of post.**
 We will photocopy your annotated order form with the orders.

5). Other Country Lists are available on request; Moldova, Turkey, Ukraine etc.

6). Postage is extra but we always use current G.B.commemoratives in complete sets where possible for postage.
